FOUR NIGHTS OF PAVING WORK BEGINNING SEPTEMBER 6

The New Hampshire Department of Transportation announces night paving work is scheduled to begin Tuesday, September 6, 2005 on an eight-mile stretch of NH Route 111 in Windham and Hudson.

This spot paving work will extend from just east of Greeley Street in Hudson to the Interstate 93 northbound ramps in Windham. Work hours will be 7:00 pm until 6:00 am each night for four nights, weather permitting.

Lane closures and alternating one-way traffic will be necessary in order to complete the paving work. Uniformed officers and flaggers will be used to guide motorists through the work zones.
